## **HUX ENVIRONMENT LICENSE Version 2.0 - 26 October 2022**

---

### **PREAMBLE**

The goals of the Hux Environment License (HEL) are to stimulate worldwide deployment of free streaming services, to support the streaming services to the general public, academic communities, and to provide a free and open framework in which streaming services may be shared and improved in partnership with others.

The HEL allows the free streaming services to be used, as long as they are not sold by the HUX Environment or the HUX Environment user.

### **DEFINITIONS**

"HUX Environment" refers to the set of files released by the Copyright Holder(s) under this license and clearly marked as such. This may include source files, build scripts and documentation.

"Original Version" refers to the collection of HUX Environment components as distributed by the Copyright Holder(s).

"Modified Version" refers to any derivative made by adding to, deleting, or substituting -- in part or in whole -- any of the components of the Original Version, by changing formats or by porting the HUX Environment to a new environment.

"Author" refers to any designer, engineer, programmer, technical writer or other person who contributed to the HUX Environment.

---

### **PERMISSION & CONDITIONS**

Permission is hereby granted, free of charge, to any person obtaining a copy of the HUX Environment, to use, study, copy, merge, embed, modify, redistribute, and sell modified and unmodified copies of the HUX Environment, subject to the following conditions:

1) Neither the HUX Environment nor any of its individual components, in Original or Modified Versions, may be sold by itself.

2) Original or Modified Versions of the HUX Environment may be bundled, redistributed and/or sold with any software, provided that each copy contains the above copyright notice and this license. These can be included either as stand-alone text files, human-readable headers or in the appropriate machine-readable metadata fields within text or binary files as long as those fields can be easily viewed by the user.

3) All Modified Versions of the HUX Environment must use the HUX Environment branding, unless explicit written permission is granted by the corresponding Copyright Holder. This restriction only applies to the primary image name as presented to the users.

4) The name(s) of the Copyright Holder(s) or the Author(s) of the HUX Environment shall not be used to promote, endorse or advertise any Modified Version, except to acknowledge the contribution(s) of the Copyright Holder(s) and the Author(s) or with their explicit written permission.

5) The HUX Environment, modified or unmodified, in part or in whole, must be distributed entirely under this license, and must not be distributed under any other license. The requirement for use and distribution to remain under this license does not apply to any document created using the HUX Environment.

#### **TERMINATION**

This license becomes null and void if any of the above conditions are not met.

#### **DISCLAIMER**

THE HUX ENVIRONMENT IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF COPYRIGHT, PATENT, TRADEMARK, OR OTHER RIGHT. IN NO EVENT SHALL THE COPYRIGHT HOLDER BE LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, INCLUDING ANY GENERAL, SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF THE USE OR INABILITY TO USE THE HUX ENVIRONMENT OR FROM OTHER DEALINGS IN THE HUX ENVIRONMENT.
